INFORMATION ON THE PROCESSING OF PERSONAL DATA FOR SCIENTIFIC RESEARCH PURPOSES (ART. 13 REG. EU 2016/679)

WeNet Platform (hereinafter “Platform”)

Organized by U-Hopper S.r.l. (hereinafter “Organizer”)

Dear participant,

We wish to inform you about our Project aims and the compliance with the current regulation for data processing.

The Platform has been created in order to support a certain number of applications that will be used by different institutions for scientific research purposes. The Platform is managed by *U-Hopper S.r.l.*, as a member of the WeNet Consortium, within the Horizon 2020 WeNet project (<https://www.we-net.eu>).

The WeNet Project is held in accordance with the EU Regulation 2016/679 "General Regulation on the protection of personal data" (from now on "GDPR"), the D.lgs. n. 196/2003

"Code regarding the protection of personal data" and the relative Annex A.4 "Code of ethics and good conduct for the processing of personal data for statistical and scientific purposes" (Provision of the Guarantor No. 2 of the June 16, 2004, Official Journal August 14, 2004, No. 190) sanction the right of every person to the protection of personal data concerning you.

Pursuant to the aforementioned legislation, the processing of your personal data will be based on compliance with the principles set forth in art. 5 of the GDPR and, in particular, to those of legality, correctness, transparency, relevance, not excess and in order to guarantee an adequate security of personal data.

As a Data Subject, we provide you with the following information regarding the processing of your personal data.

Data Controller

Data controller U-Hopper S.r.l. e-mail info@u-hopper.com and the Data Protection Officer is Giulia Tosato e-mail giulia.tosato@u-hopper.com.

Purpose of the processing

In general, the processing of your personal data is conducted in order to grant you access to the Platform and to the single applications.

This Platform is an integral part of the WeNet Project, whose specific objectives concern the understanding of the diversity of individuals to develop a platform that benefits social relations through AI systems.

Legal basis of the processing

The processing of your personal data is carried out by the Data Controller in the execution of his tasks of public interest pursuant to art. 6, paragraph 1, lett. a) of the GDPR.

Category and type of personal data processed

The data collected and further processed are: name - surname - email - age - gender - language - country.

Processing methods

Your data will be processed using tools electronic tools.

The collected personal data and all information related to the abovementioned event are stored on the servers of the Organizer, or external contractors. The operations of which abide by the Organizer's security decisions and provisions for this kind of servers and services, and for servers of external contractors abiding by the necessary security provisions.

Access to the collected personal data and all information related to the above-mentioned event is only possible to the above-described populations through an authentication mechanism.

Data retention period

Your personal data will be kept until the project's goals are reached.

Nature of data provision

The provision of your data for the aforementioned research purposes is indispensable in order to access the Platform and participate in the Research Projects carried out within the Platform. Failure to provide data will make it impossible to participate in the Projects.

Data recipients and possible transfer abroad

In addition to the Organiser, the recipients of your data will be the owners of the Apps enabled on your WeNet profile.

Please remind that for each enabled App you will be provided with a Privacy statement from the App's Owner which will be the Controller of the data you will share within the App.

In case you enable the App of a non-eu Controller, your data might be transferred to this Controller upon your permission.

No personal data is transmitted to parties, which are outside the mentioned recipients.

Rights of the interested party

As an interested party you have the right to request at any time from the Data Controller the access to your personal data, rectification, integration, cancellation, limitation of the processing that concerns them or to oppose their treatment.

For the exercise of the aforementioned rights, you can contact the Data Controller and / or the Data Protection Officer at the aforementioned addresses.
